Dear Mr. Hackler,

I would like to thank you for meeting with Mr. Michael Braun and Mr. Todd Davenport from Oxira Medical, Inc. (formally Breeze Medical, Inc.) to discuss the status of our U.S. application and the related appeal brief.

To streamline our overall process, we have made the decision to consolidate our all of our legal work related to the Company's intellectual property portfolio with a single law firm located on the east coast of the U.S. To this end, I ask that you forward all of the Breeze Medical, Inc. files and other related documents to the attention of the following:

Mr. Mark Pandiscio  
Pandiscio & Pandiscio P.C.  
470 Totten Pond Road  
Waltham, MA  
02451-1914  
Phone: 1-781-290-0060

Thank you for your help in this matter, and please do not hesitate to contact me if you have any questions.

Sincerely,

  
John S. Geis  
President & CEO
